**Basic Safeguard Awareness training**

As part of our development of ensuring our churches and their visitors are safe, we want to run local 'C0 basic Safeguarding Awareness training' courses for all the people involved in welcoming guests into our churches.

Safeguarding training enables those who come into contact with vulnerable people to identify possible signs of neglect and to know what to do about it. All organisations, including our churches need to have procedures and policies in place to protect vulnerable people. This ensures that they are safe and protected.

We have already completed training of all PCC members some time ago, and would now like to do the same for people who do any other duties like sides persons in all three churches.

Mel Ennis will be delivering a C0 Basic Safeguard Awareness training at St Helen's, Trowell on Saturday 23rd September, from 10am. Please discuss with Mel or one of the other leaders if you might like to join us. Alternatively, you could book in through your ChurchSuite account.

The course is also available on the web, at <https://southwell.anglican.org/resources/resources-safeguarding/training/>

C0 'Basic Awareness' Safeguarding Training on Saturday 23rd September in St. Helen's from 10am to 12.30pm.
