Church, Awsworth

Rocha UK's Eco Tips—November 2025.

Measure your carbon footprint

Take an audit of your individual or household carbon footprint and repeat each year to see if you can reduce it! There are lots of ways to do this, from switching energy suppliers to changes in your diet. Some great tools to use are available, for example the carbon calculators provided by Climate Stewards at: climatestewards.org/carbon-calculators, and Creation Care [Creationcare.org.uk](https://creationcare.org.uk) offers a specific resource for households giving ideas and helping you track your progress. As you look at different areas of your life, offer each area or action to God as an offering.

*Giving - if you would like to give regularly to Church please chat to Jayne our Treasurer. There are Standing Order forms at the back of Church - you are welcome to take one. We do not pass the plate round at our Services.
Thank you all for your generosity.*
